Pensacola, Florida January 31, 2023

Support and faith allow the Grover and Sara McKenzie Family Foundation, Inc. to exceed its September 2020 fundraising goal of \$20,000 for the Math Practice Program of the Chester Children's Chorus. Our \$10,000 gift for 2022 brings our total grant to the Chester Children's Chorus to \$40,000, surpassing our initial goal by 100 percent.

"We are exceedingly grateful to the donors and partners who generously support the McKenzie Family Foundation", said Grover McKenzie III, Board Chair. "The support given by foundation partners, family and friends is truly amazing. We are also very thankful to Dr. Craig Henry of Henry Chiropractic, Pensacola FL for his dedication and support of our mission to provide education assistance, education opportunities and to support positive community involvement."

"It has been quite a year! Our children continue to learn math, sing gloriously, and laugh a lot, because of thoughtful and generous support of the Grover and Sara McKenzie Family Foundation. *Thank you* for choosing to make a difference and for being such wonderful advocates for our 102 children.", Carolyn Marzo, Director of Development, Chester Children's Chorus.

The McKenzie Family Foundation's "**Global Impact ... No Limits**" campaign began September 8, 2020, with the announcement of our pledge to support children in our hometown of Chester, PA through the Chester Children's Chorus. The Chester Children's Chorus is a year-round program that focuses on providing positive experiences designed to develop Chester students both musically and academically.

Global Impact ... No Limits now includes university scholarships for students in South Carolina and Pennsylvania, our third year supporting the Hopkinson Back-To-School Drive for Dartmouth Village, Guyana, and a recent gift to help offset tuition and fees for students of Kgololo Academy, Johannesburg, South Africa.

"Our donors demonstrate that they recognize the best way to lead is to give back," said Grover McKenzie III. "Due to their generous support of the Grover and Sara McKenzie Family Foundation, students of all ages feel the support of positive community involvement."
